Red Hill

The Red Hill area is a new residential district in Zlatoust.

It includes houses with new extraordinary design and the Bell Tower complex.

You can see many interesting things at this place.

One of them is the Bell Tower, which is so high that you can see the picturesque landscape far below and admire beautiful mountains.

During an excursion to the Bell Tower you can learn how it was built, learn about Zlatoust and listen to the legends of Mount Taganay, about the neighborhood of this region. Also you can ring the big bell.

Monument to Saint Ioan Zlatoust, next to the Bell Tower.

A small shop sells souvenirs made by local craftsmen where you can buy some nice thing which will remind you about you visit to Zlatoust.

There are tubing and mountain-skiing slopes. Many people from Zlatoust and other places come here to enjoy winter sports.

Performances and interesting competitions for children and their parents are held on this stage during popular holidays.
