

My favourite city Pskov

Hello. My name is Nikita. I want to tell you about my city Pskov. Pskov a little town. The first inhabitants - descendants of Slavs - Pskov krivech, have lodged here in a place of merge of two rivers - Great and Pskovy. Thanks to that the city of Pskov has been based in 903 year and has endured set of important historical events, on the Pskov earth there were many monuments of architecture, including a wall and a tower, medieval temples and churches. Besides in Pskov also monuments of civil building which are located in a historical part of a city till now have remained. Inhabitants of Pskov also store a heritage of the ancestors, therefore all monuments of architecture are under the state protection. Here live 203 300 people. In Pskov many interesting places. There are:

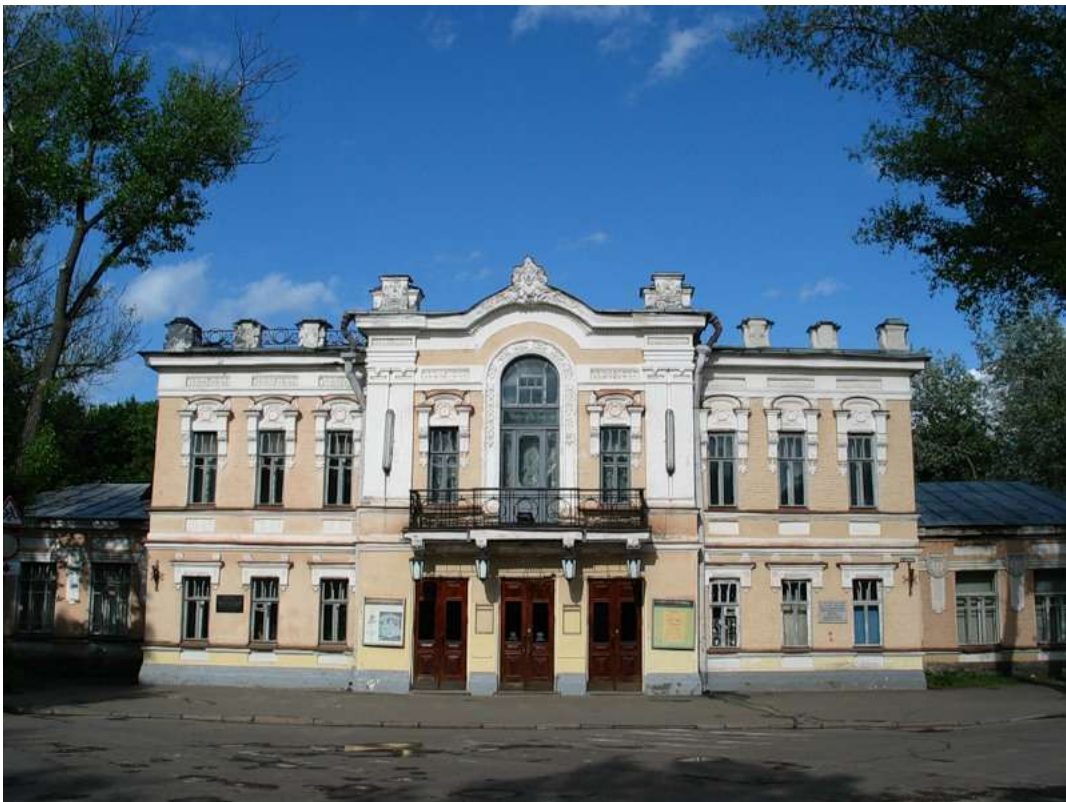

Olginsky Bridge

It is consecrated and
opened for movement
on October, 30th 1911

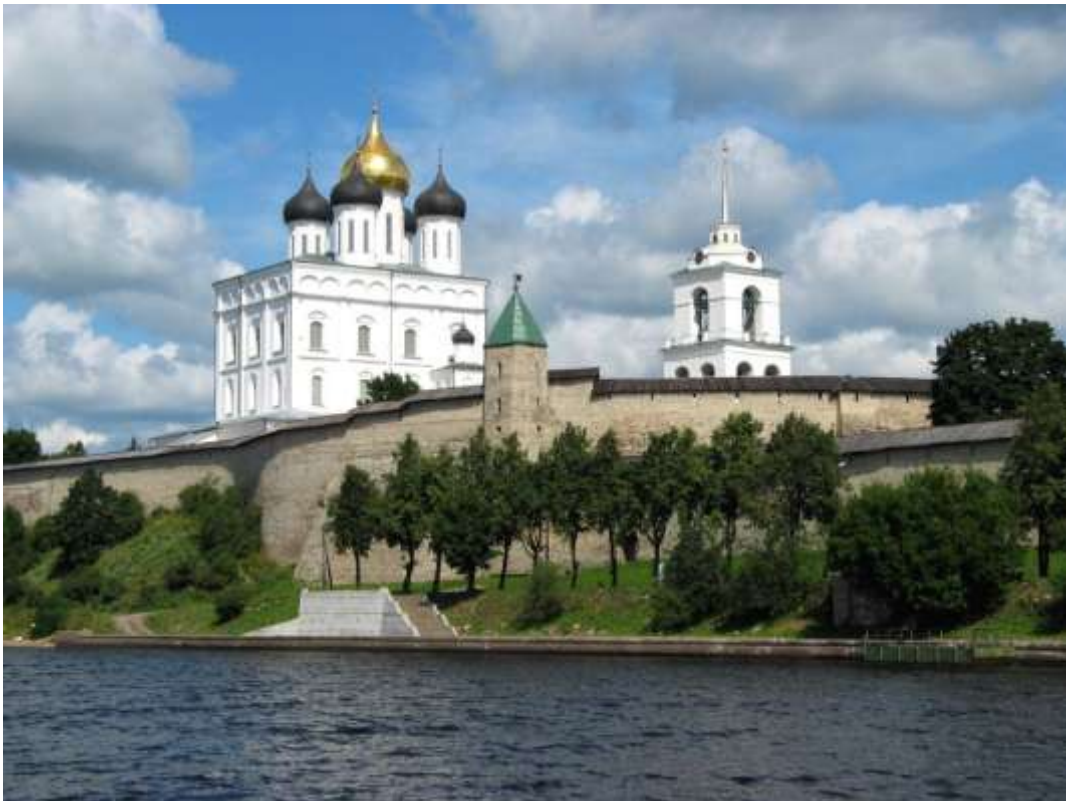

Cinema «October»

At a cinema "October"
two halls "Aristocrat"
and «the Favourite»

Pushkin's theater

In the nineties XX — the XXI-st century beginning the Pskov drama theater became one of known both in a province, and in capital cities

The Kremlin

The istoriko-architectural center of Pskov, kernel of the Pskov fortress. It is located on narrow and high cape at a confluence of the river Pskovy of the river Great. Occupies the space of 3 hectares

Gremjacheja Tower

In one of the most picturesque corners of ancient Pskov, there, where Pskov slowly bends around Lapinu a hill, on high and abrupt coast there is once majestic and terrible, and nowadays a dilapidated tower. In the people it is called as Gremjachej.

I like Pskov. It is wonderful city!
