

Surgut

- *Hi. I'm Sonya. I think you would like to know a little about me and my town. Surgut is the so-called my town. Although few people know about it, but having been here, you can see a lot of amazing things.*

We have an English school Big-Ben, a similar building in London, Big-Ben.

The city has a ring with a monument to the founders, a branch of the four roads. In the background you can see that little school Big-Ben, which I have already told you.

*It is also one of the biggest attractions is the
"University of Surgut." It is a bit like a pyramid.*

To not be bored in the winter, you can always go to the Ice Palace, and on the way to enjoy the wonderful view of the streets.

As trees are beautifully decorated with a garland.

I hope you liked my story. Come to Surgut, we will always be glad to see you!
