# Kinel-Cherkassy

Kinel-Cherkasy is the biggest village in Central Russia.

It was founded in 1744.

Now the population of Kinel-Cherkassy is over 20 000 people

# Sport

Sport is the favourite pastime of most children and teenagers in my village.

As for my friends, we prefer football, boxing, sambo and track and field events.

We are proud of the beauty of our nature and the buildings. The church was built in 1839

# The School We Study At

We study at school N2.

It was opened in 1932.

In 1978 it moved into the building where we study now.

# School N 1

There are 3 schools in Kinel-Cherkassy. This is one of them. It is situated in the centre of the village.

# School N 3

The third school in our village. It is situated in the district called “Pecha”

# Kinel-Cherkassy's Tomatoes

There are a great number of green-houses in our village.

We grow different vegetables all year round.

Tomatoes are the favourite vegetables in Kinel-Cherkassy.

# The Centre of the Village

There are many administrative buildings, shops, a theatre, a cinema in the centre of Kinel-Cherkassy.

# The Hospital

The Hospital in Kinel-Cherkassy has a long history.  
This modern building was constructed in 1972.
