

# My native land is Penza

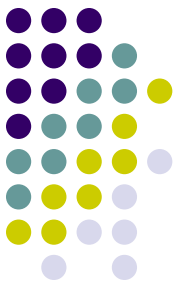

- I was born in Penza. I like this town. It is in the Russian Federation, between Mordovia and Saratov area.

- Penza has a vast territory. Its area has 330 kilometers from east to west and 200 from north to south.
- The climate of Penza region is temperate.

- The Sura, Moksha, Hoper, Vad and Kadada are flowing in Penza area. They are the main rivers in the region.

- The history of Penza Region is inseparably connected with many glorious names of statesmen, military men, scientists, and famous people in education, medicine and sport.

- Penza has rich culture heritage. In this town many famous people were born— Lermontov, Kluchevskiy, Saltikov-Shedrin and others.

- People of Penza are very hospitable and polite. They have patience and optimism.=)))
